

Exciting new opportunity for a 0-2 PQE Commercial solicitor and a 1-3 PQE Corporate solicitor

Onside Law is widely recognised as one of the UK's top sports law practices. Our clients are some of the biggest names in sport and media, including many of the leading national and international governing bodies, broadcasters, clubs, sponsors, investors, entrepreneurs, team owners and high-profile athletes.

Our Commercial and Corporate practices are thriving and we are seeking to bolster our team.

We are recruiting a 0-2 PQE Commercial solicitor to assist with a range of commercial agreements including sponsorships, endorsements, supply of goods/services, major events, merchandising, broadcasting, technology and image rights.

We are also recruiting a 1-3 PQE Corporate solicitor to advise on M&A, joint ventures, investment and shareholder agreements, funding, development and structuring of new sport and media properties.

In both cases, experience in the sports sector is not a prerequisite, but an understanding of the sector and the ability to demonstrate a desire to work in it will be an advantage.

For each role, we are looking for:

- An intelligent self-starter with excellent legal training who will pick up new skills quickly
- An enthusiastic and energetic team player
- Someone who is personable with a good client manner
- Someone who will be an impressive ambassador for the firm and is keen to develop the business further.

If you are interested in either position, please apply to us by email addressed to monisha.jackson@onsidelaw.co.uk with a CV and covering letter which makes clear how you meet our requirements for the relevant role.

The closing date for applications for this position is 23 December 2020. Direct applications only – no recruitment agencies.
